En mode édition/création de contenus – Récupération du « code HTML »

The screenshot shows the Google Maps interface for Montpellier. A red box highlights the 'GO' button in the top right corner. A red arrow points from the text below to this button. A dialog box is open, displaying the URL `https://maps.google.fr/maps?q=maps+montpellier&` and the HTML code `<iframe width="425" height="350" frameborder="0" :>`. The map below shows the city of Montpellier with a red pin on the 'Musée Fabre'.

Corps de texte

The image shows a screenshot of a rich text editor interface. At the top, there is a toolbar with various icons for text formatting (bold, italic, underline), alignment, and other functions. Below the toolbar, there is a text area containing two paragraphs of placeholder text in Latin. The first paragraph is: "nendrent in vniutate veit esse molestie consequat, vel illum dolore eu feugiat nulla facilisis at vero eros et accumsan et iusto odio dignissim qui blandit praesent luptatum zzril delenit augue dui dolore te feugait nulla facilisi." The second paragraph is: "Nam liber tempor cum soluta nobis eleifend option congue nihil imperdiet doming id quod mazim placerat facer possim assum. Typi non habent claritatem insitam; est usus legentis in iis qui facit eorum claritatem. Investigationes demonstraverunt lectores legere me lius quod ii legunt saepius. Claritas est etiam processus dynamicus, qui sequitur mutationem consuetudium lectorum. Mirum est notare quam littera gothica, quam nunc putamus parum claram,". In the center of the text area, there is a large yellow rectangular placeholder box with a dashed border and a small blue square icon in the middle. To the right of this box, the text "Média inséré dans l'éditeur" is written in red. At the bottom left of the editor, the text "Path: p" is visible.
